Re.: Non participation of JWRC crew no. 34 in RallyRACC 45 Catalunya – Costa Daurada-Rally de Espana 2009

The Stewards were informed that Mr. Luca Griotti, a competitor entered in the 2009 FIA Junior World Rally Championship was unable to participate in the 45 RallyRACC Catalunya-Costa Daurada-Rally de Espana 2009 due to health problems and claimed a case of *force majeure*.

The medical documentation submitted by Mr. Griotti was studied by the FIA Medical Delegate Dr. Jean Duby. As there remained some doubts on the severity of the state of health of Mr. Griotti, he was requested to come to the Headquarters of the Rally de Espana at Salou for an additional examination. Mr. Griotti informed that he did not want to travel to Salou as he was afraid of a possible aggravation of his health conditions. He then submitted by e-mail additional medical documents, including X-ray images along with the relevant interpretation.

After due deliberation, the Stewards come to the conclusion that Mr. Griotti apparently indeed suffers from some health problems, the extend of which, however, leaves some doubts on granting a totally unambiguous case of *force majeure*.

Under Article 8.2 of the 2009 WRC Sporting Regulations, the Stewards therefore

DECIDE

1. Not to exclude the entrant Luca Griotti, drivers Luca Griotti / Corrado Bonato, from the 2009 FIA Junior World Rally Championship
2. To order the due entry fees for the Rally de España 2009 to be paid.

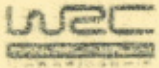

The competitor is reminded of his right to appeal.
