Subject : STEWARDS DECISION NO : 4

Document No: 2.11

From : The Stewards of the Meeting

To : The Entrant of car No.84 BERNT KOLLEVOLD
Crew BERNT KOLLEVOLD / VERONICA ENGAN

The Stewards received through the Clerk of the Course a report by the FIA Assistant Technical Delegate that the co-driver of car no. 84 had received a helmet with HANS from a girl at the exit of the tyre marking zone at Service Park G. A picture was also attached.

The Stewards summoned the Entrant/driver and co-driver of car no. 84 to them.

The co-driver, Ms. Veronica Engan, explained that after repair in the service park the mechanics forgot to put the helmet back into the car, which they realised only when exiting the Service Park.

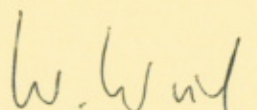

The Stewards consider that

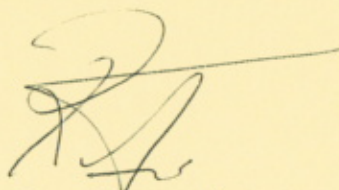

- under Article 2.9 of the 2009 FIA WRC Sporting Regulations the "receipt by the crew of any manufactured materials" is considered to be prohibited service and
- in Article 51.2, the tyre marking zone is not on the list of areas where the "passing of food, drink, clothing and information" is permitted and
- Article 65.4 states: "For the sole purpose of assisting tyre marking/bar code reading procedure, one team member for each crew may access" the "wheel/tyre marking and bar code reading zone".

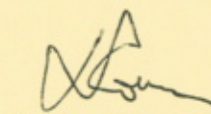

Under the given circumstances and after due deliberation, the Stewards

DECIDE

In application of Article 153 of the 2009 FIA International Sporting Code, to impose the penalty of a **reprimand** on Competitor No. 84.
