Document No: 2.5

Crew HERMANN JR GASSNER / KATHARINA WUESTENHAGEN

The stewards received a report from a marshal at "RZ 6 Falset Refuelling" that the co-driver of car No. 62 had opened the bonnet and poured some water inside the car while the car was in the refuelling zone. Moreover, the co-driver had checked the tyre pressure during the refuelling procedure.

The stewards then summoned a representative of the Entrant and the crew of car No. 62 to them, who appeared in front of the stewards.

On being questioned, the co-driver admitted having checked the tyre pressure but she did not remember about pouring water into the bonnet.
The crew then apologized for their lapse.

The stewards after due deliberation conclude that Art. 58.2 of the 2010 FIA WRC Sporting Regulations had been breached and

DECIDE

To impose a **2 minute time penalty** on Competitor No. 62 for this breach of the refuelling procedure.

The Competitor is reminded of its right of appeal.
