

Rally de España 2015

22 al 25 Octubre

Date : 25th October 2015

Time : 20.50

Subject : STEWARDS DECISION NO : 5

Document No: 2.8

From : The Stewards

To : The All Competitors / crew members

The Stewards received a report from the FIA Technical Delegate on post-rally scrutineering stating that the rear axle which was fitted on car No. 83 was not identical to the rear axle showed in the homologation form. The Stewards then requested to check the same part also in car No. 84 (same car, same Competitor). The FIA Technical Delegate then confirmed that the part in car No. 84 was identical to the one in car No. 83.

The FIA Technical Delegate also requested by telephone to be given more time to investigate with Peugeot Sport on this issue.

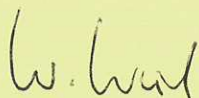

The Stewards then summoned the Competitors' representative, Mr. Claudio Bortoletto, who appeared in front of the Stewards at 20:15 hrs.

Mr. Bortoletto stated that the parts are supplied by Peugeot as fitted to the cars and that all the cars of this model and type were the same. He added that he had also presented two spare rear axles to the FIA Technical Delegate, who confirmed that their shape was the same as the one fitted on car No. 83. He further stated that the photo in the homologation form must have been introduced by mistake.

The Stewards under the circumstances and after due deliberation

DECIDE

to give the FIA Technical Delegate, together with the Competitors' representative, time to clarify the issue with Peugeot Sport on Monday, 26 October 2015, and to take thereafter a decision, as appropriate. For this purpose, the rear axle parts of both cars were sealed and kept.
