Subject : STEWARDS DECISION No : 4 **Document No: 2.9**

From : The Stewards of the Meeting

*To : The Entrant of car No. 90 CASTROL FORD TEAM TURKIYE
Crew KORAY MURATOGLU /GURAY KARACAR*

The Stewards received a report from the FIA Technical Delegate (including a photograph) which stated that Competitor No. 90, Entrant CASTROL FORD TEAM TURKIYE, Driver KORAY MURATOGLU and Co-driver GURAY KARACAR arrived at the Service Parc not on three wheels and tyres.

Article 19.4 of the 2008 FIA WRC Sporting Regulations states that “on a road section that is a public road a competition car may only be driven on four wheels and tyres”.

The Stewards then summoned a representative of the Entrant, the Driver and the Co-driver of car No. 90 to them.

On being questioned, the crew stated that in a special stage they had hit a rock which bent the steering arm. They finished the stage and on reaching the road section tried to change the flat tyre. Unfortunately, their electric tool had flat batteries and they could not get the wheel nuts off.

Under the circumstances, they proceeded slowly to the Service Parc and lost 5 minutes over their scheduled time.

Under the circumstances and after due deliberation, the Stewards

DECIDE

To exclude car No. 90 from the event.
